

Post for Fact-checking Video

Here is a video that we have created to share – about why it's important to check information about Covid-19 before you believe it.

Please watch the video, enjoy and share with your family and friends.

The links below are referred to in the video, and are provided to help you fact-check information to make sure you don't share fake news!

Together let's only share information that keeps our community safe and well.

Trustworthy websites for health information

- Australian Government Coronavirus App - <https://www.health.gov.au/resources/apps-and-tools/coronavirus-australia-app>
