Motion that the report be accepted:

Moved: Laura Orr Seconded: Geraldine Howson

6. Treasurers Report

Presented by Margaret Menzies

Highlights

- KNH Inc has performed particularly well in the 2023/24 financial year, outstripping expectations, and turning a predicted loss into a small profit of \$14,105.
- Indexation of the NHCP funding was welcomed and assisted in the payments of increases in wages and on-costs.
- Higher interest rates good for our investments.
- Emphasised the importance of assistance from the DFFH and Monash Council in maintaining the viability of both houses. Without funding it would be hard to remain financially viable
- Kerrie Rd increased its revenue and profit compared to previous financial year primarily due to class fees and interest from bank investments
- Mackie Rd posted a small profit, but this was only achieved due to two one off payments, one from ACFE and the other for room hire as a polling station for the 2023 Referendum. Concerningly class fees have dropped significantly.
- · Wages increased as did costs related to utilities, consumables, cleaning

MINUTES OF ANNUAL GENERAL MEETING 2024

- Balance Sheet is solid, and KNH Inc are in a sound financial position readily able to fulfil their financial commitments.
- The 2024/25 financial year is proving challenging and have budgeted for a small profit at Kerrie Rd, but a significant loss at Mackie Rd. This is principally due to increased employment expenses and forecast lower class income at Mackie Rd.
- Despite the negative forecast, we are placing our emphasis on participation levels, and will maintain our staffing levels to support that, and if needed can use funds in reserve.
- The Committee have completed a detailed analysis of our reserves to identify the amount we need to
 retain in reserve to remain viable, and that which we could utilise to make improvements to our facilities
 at Kerrie Rd.

Questions from the floor

• David Holdsworth sought clarification about the ACFE money paid to Mackie Rd. Explanation given was the amount was initially granted for Student Contact hours during 2020-21. But with Covid and no classes the funds were unused. Usually, the money must be paid back but ACFE decided not to claim back the balance. The balance was therefore moved to the P/L as income.

Motion that the report be accepted:

Moved: Margaret Menzies Seconded: Greg Menzies

Motion carried.

7. Election of 2024/2025 Committee of Governance

Rosanne Pittard took the Chair and proposed that in accordance with Section 53 of KNH Inc Organisations Rules Para (1), there be 8 Committee Members in 2024/25 with 4 positions for ordinary members in addition to office bearing roles.

Motion that the amendment be accepted:

9. Meeting Closed

Rosanne Pittard declared the meeting closed at 2.10pm.

PRESIDENT'S REPORT

Welcome to the 2025 Annual General Meeting of the Kerrie Neighbourhood House Inc (KNH Inc) and our review of the financial year just ended June 2025.

KNH Inc provided activities, classes, space for community activities throughout the year and we have had a successful year. Our activities have been ongoing, and our financial situation remains sound. This has all been possible because of dedicated teams of staff, volunteers and Committee members believing we have much to offer and that our community welcomes our offering.

Pleasingly KNH Inc can report a small surplus of some \$3,000. You will hear/read more about that in the Treasurer's Report. This is particularly good as we had expected a small loss: our expenses for the year have been well-managed.

As in previous years we have offered a good range of classes – languages, art, craft, exercise, dance, and computer training. Complementing this are other activities such as playgroups, walking groups, luncheons, or meeting places for special groups. New ways of involving the community are explored and new classes and activities offered. These has been a focus for the year and will continue.

Kerrie Road continues to perform well in course offerings and room hires, despite its small size. Mackie Road does not always mirror Kerrie Road in its course offerings, instead finding its role in community activities and events, many of which are free. Both houses are benefitting from revenue from community organisations hiring rooms when they are available; revenue from this is used to supplement other activities such as free events or community information sessions. It is pleasing to see the space used for the community in things such as the Chatty Café.

Over past years, the Manager together with the Committee has regularly reviewed its participation in the ACFE (adult education) arrangement for subsidising job-ready training for adults. This has at best been marginal; a decision to suspend from ACFE for a year was made. ACFE requirements have changed and registration is no longer a continual membership and re-registration has been required. Whilst KNH will continue to consider adult job-ready training and ACFE membership in its range of offerings, KNH has not re-registered for ACFE. Instead other support for adult education is being trialled.

In February we were very much saddened by the death of Margaret Menzies, longstanding contributor and Committee member and our Treasurer up until her death. Margaret is a significant loss to our Community and we are honouring her contribution through the introduction of a fund to assist families in need.

There are some matters that the Committee of Governance has been actively involved in that are worth reporting: -

- Development of a new Strategic Plan for 2024-2028
- Implementation and monitoring of the Strategic Plan
- Developing a Business Plan for the current year (25/26)
- Overseeing delivery of the Business Plan
- Participation in co-tenant meetings at Mackie Road
- Policy reviews
- Occupational Health and Safety matters
- Support for the Eco-Connect Festival held at Mackie Road in March 2025

PRESIDENT'S REPORT

The Committee and I are extremely grateful for the contributions of all our staff.

Laura Orr has continued to do an excellent job as Manager. Jo Whatley continues her great work as Kerrie Road administrator and Belinda Brand and Liz (Elizabeth) Scarfe are working well sharing the role of office administrators at Mackie Road. Our Bookkeeper, Beth Ellis has continued to contribute strongly to her role and has assumed additional duties to support the Manager and the Committee. Our wonderful tutors have delivered a great range of interesting classes often with a unique approach. A big Thank You to all these staff for their work during the year.

As always, we are very grateful for our volunteers. Thank you to the following: at Mackie Road-Billy Blanch, Yvonne Askew, Tricia Upton, Tom Ang, Chan Mee Leong, Hnin Adair, Maria Cionte, and our Group Leaders. At Kerrie Road-Lois and Trevor Vincent, and our Group Leaders.

The Department of Families, Fairness and Housing continued to provide funding to support house administration and have continued to offer small annual increases in funding; this goes some way towards covering increases in expenses.

NHVic (Neighbourhood Houses Victoria) has continued to provide support whilst undergoing their own restructure and addressing their significant financial losses. NHVic regularly presents reports on the contribution of Neighbourhood Houses to the Community and the economy; these include an annual survey of all houses and the services and programs they offer, plus related ad hoc reports. It is pleasing to see that both our houses measure up well.

Monash Council has continued to provide some project-based funding as well as general support. In particular, Kate Bolaffi, Steve McGrath and Karena Johnson. NIECH has also provided support through its Networker Lily Kovacevic. We are grateful for all their contributions.

Finally, I would like to thank the current Committee of Governance: Robyn Hofmann, Greg Menzies, Tricia Upton, Stephen Donnison and Na Zhou. Long term members Robyn and Greg have continued with significant effort and contributions. Tricia, Stephen and Na are all new.

Elected at the last AGM, Gaurav Ahuja resigned from the Committee in March to give more time to support his family. Also elected at the last AGM, Geraldine Howson took some leave during the year for personal health reasons and subsequently decided not to continue on the Committee. We are grateful for both their contributions and we wish them well.

Given the range of activities that the Committee undertakes and supports, our small Committee was rather stretched so we undertook a recruitment campaign to attract willing volunteers. Tricia joined the Committee in August and has previously assisted as a volunteer at various events. Stephen also joined in August, having been inspired from exercise classes. Both attended orientation in September. Na Zhou officially joined in September having already assisted at several events. We look forward to their enthusiastic contribution.

We would welcome discussions with any person related to KNH that might wish to contribute to the Committee.

We have had a successful year and can justifiably look forward to the future.

OUR COMMUNITY

MANAGER'S REPORT

This year has been both impactful and rewarding, marked by significant progress across several key areas. Our strong commitment to community engagement, capacity building, capital improvements, and the delivery of targeted projects has continued to strengthen our Neighbourhood Houses. Building and nurturing new partnerships also remained a central focus, enhancing our ability to respond to local needs.

We were pleased to see a notable increase in community participation and engagement—clear evidence of the growing reach and impact of our work. In response to community feedback, we introduced new programs, events, and free services, enabling us to support more individuals and families than ever before.

I also continued to represent both Houses at various forums, including Network, Coordinator, and Tenant meetings, as well as advocacy and partnership discussions with local and State Government bodies.

Notable Achievements

In summary, achievements have included:

Mackie Rd

- Built community engagement through activities such as Community Soup Day and a Christmas
 Lunch at our Community Connections Café. Each event strengthened community connections and
 fostered a greater sense of belonging.
- Hosted inaugural cultural celebrations, including Diwali and Christmas Market events, as well as a
 Chinese New Year celebration in partnership with True Maple Learning Centre. These occasions
 provided opportunities for the community to come together, celebrate diversity, and share in
 cultural learning through activities, food, and traditional dress.
- Partnered with the City of Monash Mulgrave Library to deliver the Eco-Connect Festival, promoting sustainability and awareness of circular food systems.
- Celebrated National Science Week by offering free, engaging activities supported through Victorian State Government funding.
- Continued delivery of computer and digital skills courses through the Victorian State Government's Adult, Community and Further Education (ACFE) program, until the temporary suspension of ACFE funding for the year.
- Hosted a range of free community information sessions in partnership with Services Australia,
 Monash Crime Prevention Office, Metro Trains and the Centre for Culture, Ethnicity and Health.
- Celebrated our volunteers during National Volunteer Week, recognising their invaluable contributions to our Neighbourhood House community.
- Delivered an average of 35 programs per term—including regular classes, workshops, and free information sessions—engaging approximately 230 participants each term.

- Implemented digital inclusion programs supported by funding from the Be Connected program—an Australian Government initiative aimed at building the confidence, digital skills, and online safety of older Australians.
- Hosted a range of free community information sessions in partnership with Services Australia, La Trobe Community Health Services and Multicultural Health & Support Service.
- Celebrated Children's Week with a range of free activities funded by the Victorian State Government, encouraging family participation and community connection.

- Delivered an average of 40 programs per term at Kerrie Rd Neighbourhood House, including regular classes, workshops, and free information sessions, engaging approximately 320 participants each term.

Both Houses

- Utilised funding from the City of Monash Community Grants Program to continue to strengthen both Mackie Rd Neighbourhood House and the Wellington Reserve Community Centre through continued management of the Wellington Reserve building, and to create opportunities for social inclusion via our Community Wellness and Social Connection projects.
- Explored new funding opportunities to expand our programs, events, and services, successfully securing Bendigo Bank sponsorship for our Kerrie Rd Kids Cooking Classes.
- Expanded our team with the addition of new tutors and volunteers, while also farewelling several long-term tutors who moved on to new ventures.
- Celebrated Neighbourhood House Week by offering engaging activities and opportunities for community feedback and connection.
- Maintained compliance with our funding agreement under the Department of Families, Fairness and Housing's Neighbourhood House Coordination Program (NHCP). Each House is funded for 25 coordination hours per week across 40 weeks of the year and continues to deliver more than double this in activity hours.
- Provided a welcoming home for a diverse range of groups, room hires and activities across both Houses, supporting social connection and community wellbeing.

At Kerrie Rd our social groups include: Japanese Playgroup, Knitting Group, Playgroup, Hungarian Group, Waverley Widows Support Group, and Walking Group.

MANAGER'S REPORT

Acknowledgements

I would like to sincerely thank all of our community groups for the wonderful work they do in supporting and strengthening our community, and to our volunteer group leaders for their ongoing commitment and generosity of time. A heartfelt thank you also goes to our tutors for their caring, professional, and engaging facilitation of classes and courses throughout 2024–2025.

This year, I have had the privilege of working alongside a dedicated and passionate team, including the Committee of Governance, whose guidance and support continue to be invaluable to our success - Rosanne Pittard, Robyn Hofmann, Margaret Menzies, Greg Menzies, Geraldine Howson, Gaurav Ahuja, and more recently, Tricia Upton and Stephen Donnison. And to our hardworking Office Administrators and Bookkeeper for their dedication and behind-the-scenes support that keeps everything running smoothly - Jo Whatley, Elizabeth Scarfe, Belinda Brand and Beth Ellis.

In February, we were deeply saddened by the loss of the wonderful Margaret Menzies. Over the past seven years, Margaret has been a beloved and highly respected member of our community and organisation. In addition to her work in key Committee positions, Margaret generously shared her expertise as a teacher to run our Homework Club and used her experience in childcare to facilitate our Playgroups at both Kerrie Rd and Mackie Rd. She embodied the spirit of community, and we miss Margaret enormously, both personally and for the invaluable contributions she made.

Thank you also to our Mackie Rd Community Garden volunteers Tom Ang and Chan Mee Leong, and Office/House volunteers Trevor and Lois Vincent, Yvonne Askew, Billy Blanch, Maria Cionte, Tricia Upton and Hnin Adair. I sincerely thank them all for their expertise, dedication, and commitment to our organisation and local community over the past twelve months.

Finally, I would like to acknowledge Monash Council including the Neighbourhoods and Placemaking Team- Kate Bolaffi, Steve McGrath and Karena Johnson; the NIECH Network and networker, Lily Kovacevic; the Department of Families Fairness and Housing; the LearnLocal team; and NHVic, for their ongoing support of KNH Inc.

Looking Ahead

Our organisation has achieved a great deal over the past year, and our Vision remains constant: to be an active part of, and enrich, our local community.

While challenges in our sector remain, we will continue to deliver services, provide support, and develop projects, partnerships, and opportunities that respond to local needs, empower our communities and ensure the long-term viability of our organisation so we can continue serving our communities in the years ahead.

I look forward to seeing how our organisation—and the communities we serve—will continue to grow, thrive, and make a positive impact in the years to come.

TREASURER'S REPORT

You will find the Audit Review Letter from our auditors, audited accounts, and related reports for the 2024/25 financial year in the Annual Report. The accounts were formally accepted at the October Committee meeting and have been certified by two members of the Committee as required by The Associations Incorporation Reform Act 2012.

The basis on which the accounts are prepared is detailed in the Notes to the Financial Accounts which follow the financial reports.

KNH Inc recorded a net profit of \$3,985 compared to a budgeted loss of \$35,990. Whilst this is a small profit, it exceeded our expectations.

Income

The total income of \$501,552 was similar to the previous year, with a small decrease of less than 1%. KNH Inc benefited from higher interest rates. Returns on our investments were \$16,305, which is an increase of nearly 30% on the previous year.

The indexation of the NHCP funding was welcomed and assisted in the payments of increases in wages and on-costs. The importance of assistance from the DFFH and Monash Council in maintaining the viability of these community centres, through the Neighbourhood House Coordinators Program (Department of Families, Fairness, and Housing), and grants from the City of Monash, cannot be over emphasised.

Kerrie Rd

Kerrie Road recorded a net profit of \$7,278. Income totalled \$252,909 compared with \$252,503 in the previous year.

Although the total income was similar to the previous year, we had a decrease in class income of nearly 8% due to less enrolments and decreases in both ACFE and Monash Council funding. There was an increase in rental income of \$9,966 and interest received of \$3,000.

Mackie Rd

Mackie Road recorded a net loss of \$3,292. Income totalled \$248,643 compared with \$252,350 in the previous year.

There was a decrease in ACFE and Monash Council funding compared to the previous year, however the rental income increased by \$24,654, this is due in part to Mackie Road being used as a polling location in 2024, which bought in \$11,412 of this increased rental income.

Expenditure

The Employment expenses increased by 3% compared to the previous year due to annual pay increases.

Due to lower class participation at both Kerrie Road and Mackie Road, the flow on effect was such that there was an overall reduction in Operating expenses by \$5,449. Please note that some operating costs did increase, computer software/support, cleaning and consumables being the main contributors.

TREASURER'S REPORT

A Statement of Income and Expenditure by Campus is included as Appendix 1.

The Balance Sheet is solid.

KNH Inc is in a very sound financial position and is readily able to fulfil its financial commitments and statutory responsibilities when they fall due. Our cash reserves are adequate for our current and foreseeable needs.

Conclusion 2024/25

The end results regarding income were very similar to the previous year, but changes have occurred, such as the decrease in class fees and some grants.

One of the major changes was the increase in room rentals at both Kerrie Road and Mackie Road. This change has flowed on from the previous year, when the Manager developed and promoted room rental. This was successful at both locations with Mackie Road having a very positive outcome due to the different range of rooms and areas to rent. Even though Kerrie Road is smaller and has less options, it still greatly increased the rental income to ensure a steady income flow.

Regarding class fees, the economy appears to be stable. We are doing everything that we can to provide a range of classes and activities to our communities and these are being promoted often on all the media outlets the centers have.

Although the 2024/25 year was stable, it did present challenges. We had budgeted for a small profit at Kerrie Rd and large loss for Mackie Rd, principally due to increased employment expenses and forecast lower class income at Mackie Rd. However, we exceeded our expectations for the year.

We have placed our emphasis on participation levels and have maintained our staffing to support that by using our funds in reserve, if needed. This is subject to regular review.

As a committee, and consistent with good business practice, we have undertaken a detailed analysis of our reserves to identify the amount we need to retain in reserve to remain viable, and that which we could utilise to make improvements to our facilities.

The City of Monash has replaced the flooring in all wet areas at Kerrie Rd. We used reserves to move and upgrade the art and kitchen area, with project oversight and labour supplied by the City of Monash.

I would like to conclude by expressing my appreciation for the work undertaken by Laura and Beth.

Auditor's Responsibility

Our responsibility is to express a conclusion on the 30th June 2025 financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of an Interim Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the financial report is not presented fairly, in all material respects, in accordance with the Australian Accounting Standards and Associations Incorporation Reform Act 2012. Notes to the Financial Statements For the Year ended 30th June 2025

The functional and presentation currency of KERRIE NEIGHBOURHOOD HOUSE INC. dollars is Australian

1. Basis of Preparation

In the opinion of the Committee of Governance, the Association is not a reporting entity since there are unlikely to exist users of the financial report who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Associations Incorporation Reform Act 2012 and the Australian Charities and Not-for-profits Commission Act 2012. KERRIE NEIGHBOURHOOD HOUSE INC. is a not-for-profit entity as required by Australian Charities and Not-for- profits Commission.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements AASB 107 Statement of Cash Flows AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors, AASB 120 Accounting for Government Grants and Disclosure of Government Assistance, AASB 1048 Interpretation of Standards , AASB 1054 Australian Additional Disclosures and AASB 1058.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2. Summary of Significant Accounting Policies

(a) Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. Bank overdrafts also form part of cash equivalents and presented within current liabilities on the balance sheet.

(b) **Provisions**

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(c) Employee Benefits

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Changes in the measurement of the liability are recognised in profit or loss.

Employee benefits are presented as current liabilities in the balance sheet if the Association does not

have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date regardless of the classification of the liability for measurement purposes under AASB 119

(d) **Property, Plant and Equipment**

Plant and equipment are carried at cost or fair value less, where applicable, any accumulated depreciation and impairment of losses.

Plant and equipment are depreciated on a straight-line basis over the asset's useful life to the Association, commencing when the asset is ready for use.

(e) Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Interest Revenue

Interest is recognised using the effective interest method.

Rendering of Services

Revenue in relation to rendering of services is recognised depending on whether the outcome of the services can be estimated reliably. If the outcome can be estimated reliably then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period.

If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

Grant Revenue

Government grants are recognised at fair value where there is reasonable assurance that the grant will be received and all grant conditions will be met. Grants relating to expense items are recognised as income over the periods necessary to match the grant to the costs they are compensating. Grants relating to assets are credited to deferred income at fair value and are credited to income over the expected useful life of the asset on a straight-line basis
